NOTICE OF NON-COMPLIANT INFORMATION DISCLOSURE STATEMENT

Information Disclosure Statement

1. The information disclosure statement filed November 3, 2008 fails to comply with 37 C.F.R. §1.97(d) because it lacks a statement as specified in 37 C.F.R. §1.97(e). It has been placed in the application file, but the information referred to therein has not been considered.
2. The information disclosure statement filed September 4, 2008 fails to comply with 37 CFR 1.97(d) because it lacks a statement as specified in 37 C.F.R. §1.97(e). 37 C.F.R. §1.97(e) requires a statement that the information in the IDS was "*either* (1) ... first cited in any communication from a foreign patent office ... not more than three months prior to the filing of the information disclosure statement; *or* (2) That ... no item of information contained in the information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to filing of the information disclosure statement." [emphasis added] Applicant's submission includes both statements without specifying which is applicable. It is not possible for both statements to be applicable (due to the omitted text in statement 2), and 1.97(e) requires that Applicant specify *either* one statement *or* the other. The information disclosure statement has been placed in the application file, but the information referred to therein has not been considered.
3. The information disclosure statement filed September 4, 2008 fails to comply with 37 C.F.R. §1.97(d) because it lacks the fee set forth in 37 C.F.R. §1.17(p). It has been

placed in the application file, but the information referred to therein has not been considered.
